

NOTICE ON THE IMPLEMENTATION OF VIDEO SURVEILLANCE AND THE PROCESSING OF PERSONAL DATA

Data Controller:	Company VPL d.o.o. , together with Companies DLT d.o.o., and PLIZ d.o.o., (hereinafter collectively referred to as the Companies) Locations where video surveillance is carried out: Dunajska 281, Ljubljana and Gorenjska cesta 19b, Mengeš Responsible persons: Janez Lampič and Matija Lampič Contact e-mail: info@vpl.si
Purpose of Personal Data Processing:	Protection of persons, property and trade secrets, and monitoring of entry to and exit from the premises and/or areas of the Companies, including the establishment, exercise or defence of legal claims.
Legal Basis for Processing:	Article 6(1)(f) of the General Data Protection Regulation in conjunction with Articles 77 and 78 of the Personal Data Protection Act (ZVOP-2).
Recipients of Personal Data:	Authorised employees, the police, public prosecutor's office, courts and other competent authorities for the purposes of investigation, detection or prosecution of criminal offences, insurance companies, and authorised external service providers or occupational health and safety professionals (in the event of an accident or work-related injury).
Categories of Data Subjects Whose Personal Data Are Processed:	Employees, other associates such as pupils, students and retirees, external contractors providing services for the Companies, customers, business partners and visitors.
Categories of Personal Data Processed:	Image recording of the individual (video footage), location data, and the date and time of the recording.
Information on Specific Impacts of the Processing:	The recordings are processed for the purposes explained above. In the event of suspected criminal offences (e.g. theft), the recordings may, upon request, be disclosed to the competent authorities for the purposes of the investigation, detection or prosecution of criminal offences, provided that such authorities have an appropriate legal basis for obtaining them. The recordings may also be disclosed to insurance companies where necessary for the exercise of the rights of the Companies.
Information on Unusual Further Processing:	The personal data are not transferred to third countries or international organisations. The video surveillance system operates by recording and storing footage. Direct real-time monitoring through the video surveillance system may occasionally be carried out by authorised personnel for the purposes of protecting people and property, monitoring access, and ensuring the safety and security of persons and premises.
Retention Period of Personal Data:	For up to 30 days from the date of the recording.
